COLONIAL CADETS.

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Rate, Passage to England, and Pay, &c., of Colonial Cadets.

Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals and sent home in any Man-of-War or Transport ready to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, will be provided for them by Mail Packet, or by private Ship, the latter being preferred where the Packet fares high.

They will not count time or receive pay until they join the "Britannia," and arrangements are to be made whereby, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st January or the 31st August; and Parents are to arrange for their Passages, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,

VERNON LUSHINGTON.

*Admiralty, 27th May*, 1874.

PROVISIONAL EXAMINATION OF MIDSHIPMEN, NAVIGATING MIDSHIPMEN, CLERKS, AND ASSISTANT ENGINEERS.

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which a Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (*Art.* 12, *p.* 64), which, in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of Service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Midshipmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman succeeding in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

CIRCULAR No. 80.—C.

3. The Principal Medical Officers of these Establishments will communicate with the Commander-in-Chief or Senior Officer on the Station, with a view to fixing a day for making the necessary arrangements for the Examination, and giving due notice to such Assistant-Surgeons as may be eligible and who may be disposed to avail themselves of it, provided the convenience of the Service will admit of their attending.

## PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of Marine engines to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, before the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to

adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose: but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships,
C. PAGET.

MEMORANDUM.

*Admiralty, March* 15, 1866.

Engineer Officers will be examined by the Chief Engineers of the Dockyards only on the First Tuesday in every month, except under special circumstances.

# ROYAL NAVAL COLLEGE, GREENWICH.

CIRCULAR No. 8—C.

*Admiralty, 30th January, 1873.*

My Lords by Her Order in Council, dated 16th January, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the College on the 1st of February next, as which date the Course of the Gunnery Lieutenants and the Sub-Lieutenants of the Gunnery Lieutenants will commence. The arrangements for the Courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special arrangements have been made to prevent any interruption or inconvenience to the studies of any Class of Students who may hereafter be admitted to the College.

The College will, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

Captains and Commanders.

Lieutenants.

Navigating Officers.

Naval Instructors.

Gunnery Lieutenants and Acting Navigating Sub-Lieutenants.

Sub-Lieutenants.

Royal Marine Artillery.

Royal Marine Light Infantry.

Officers of the Engineer Branch, viz.:—

Naval Engineers.

Engineers.

Assistant Engineers.

Acting 2nd Class Assistant Engineers.

A limited number of Dockyard Apprentices will be admitted, selected by competitive examination, for admission to the College.

Courses of Instruction at the College will also be open to a limited number of—

9. Private Students of Naval Architecture or Marine Engineering.

10. Officers of the Mercantile Marine.

It is not intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman, in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the 'Excellent' Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition, as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors

Digitized by Google

Officers and others admitted as *Students* will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of *lectures*, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study.

*Subjects.*

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.

2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.

3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—

a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.

b. Chemistry.

c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organisation of the College will be as follows:

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

A Professor of Mathematics.
A Professor of Physical Science.
A Professor of Chemistry.
A Professor of Applied Mechanics.
A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(*a*) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(*b*) Gunnery Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich *before* commencing their practical course in the 'Excellent' instead of, as at present, a term of seven months *after* they have completed it.

Officers, on applying to qualify as Gunnery Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(*c*) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(*d*) All acting Second Class Assistant Engineers who in future be sent to Greenwich, after leaving dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on promotion to that rank, avail themselves of the advantages of the College before their turn would occur for appointment to a ship. The regulations specify advantages which are intended to remove any pecuniary difficulties attending the College; and special consideration to appointments will be given to Lieutenants who thus devote themselves in so useful a manner the time necessarily spent on half-pay.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as students of the College, enjoying the full advantages of the higher course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will be admitted on application, be allowed to attend courses of lectures.

The paramount object which my Lords have in view in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between officers distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the shipbuilder, the architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of theoretical training in theoretical subjects to Naval Officers in the classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest for the Navy.

### REJECTION OF ACTING SUB-LIEUTENANTS AT EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[*Circular No. 8 (C) of 30th Jan., 1873, p. 8, el. 8.*]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on part either of Midshipmen to pass their examination seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at Royal Naval College, involves a loss of seniority in cases to a considerable extent, no such penalty is in the case of rejection at the examination in Gunnery board Her Majesty's Ship "Excellent,"—and hereby that for the future one month's seniority shall be for such rejection.

By command of their Lordships.

### X. *Temporary Provisions.*

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62, of 1873, 21, of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 33 & 33 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications in the latter case:—

(*a*) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 65, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March, 1866, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(*b*) To be retired as soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.

(*c*) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority until such time as they would have been compulsorily retired under the Order in Council of 24th March, 1866; but they will not be entitled to rise above the rank of Admiral or Vice-Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics; and when ultimately removed from the List by death or otherwise, the vacancy thus caused not to be filled up.

(*d*) Flag Officers so retired retain their Good Service Pensions.

(*e*) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Vice-Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, according to these Regulations; provided also there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who shall are allowed to be retired at once under the new Regulations, to be entitled to 675*l.* instead of 600*l.* a year retired pay, subject to the deduction specified in the Order, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the value of their office; but the whole amount not to exceed half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than years' standing, to be allowed the option of accepting or to promotion and retirement, either the new Regulations or those of Her Majesty's Order in Council of 24th March, 1866, but with the following modifications in the latter case:—

(*a*) Not to be allowed to remain on the Active List as Captains after the age of 60, or after [illegible] have elapsed since their service as Captain ceased;

In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

# ...RVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight, *the 4th day of August*, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

...HEREAS there was this day read at the Board a Memorial ...from the Right Honourable the Lords Commissioners of the ...Admiralty, dated the 1st of August, 1873, in the words ...following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd ...August, 1870, governing the promotion and retirement of ...Officers and others of Your Majesty's Fleet, clause six ...section two appoints as follows:—

"'Captains retired from that rank to be entitled to rise by ...seniority to the rank of Retired Rear-Admiral, if before ...retirement they had served the time to qualify them for ...promotion.'

"And whereas we are of opinion that this condition may be ...modified, we humbly propose to Your Majesty that the ...same above recited be cancelled, and the following sub-...stituted:—

"'Captains who have been, or who may in future be, ...retired from that rank under Your Majesty's Order in ...Council of 22nd February, 1870, to be entitled to rise by ...seniority to the rank of Retired Rear-Admiral if they ...have served three years as Captain in command of a ...Ship of War at sea.

[See Order in Council, 4th August, 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's ...said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in ...turn for advancement to the Active List of Flag Officers, ...he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea: Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'

"And whereas we are of opinion that the above-recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"'(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions:—

"'1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"'2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"'This shall not apply to any Officer who retired before 1st August, 1873.

"'3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea.'"

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

# PROMOTION OF COMMANDERS AND LIEUTENANTS AN RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August, 1875.]

At the Court at Osborne House, Isle of Wight.

*the 5th day of February*, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz.:—

"Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants:

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to vacancies caused by retirement, according to the following scale:—

(a). One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b). One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c). One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3*s.* 6*d.* per diem, an additional 6*d.* being given for each complete year beyond three served as Sub Lieutenant until the maximum is reached, viz., 6*s.* per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Su Lieutenant may be on half-pay after he has served th years in that rank to reckon in the proportion fixed by t Order in Council.

12. Sub-Lieutenants to be allowed, at their own requ and with our consent, to commute their retired pay ac the rules laid down by the Lords Commissioners of Y Majesty's Treasury for administering the Act, 34 and Vic., cap. 56.

13. The existing rules as to half-pay to Sub-Lieuten while on the Active List to remain in force.

We therefore most humbly submit that Your Majes will be graciously pleased to sanction these arrangeme which have received the concurrence of the Lords Co missioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into c sideration, was pleased, by and with the advice of Privy Council, to approve of what is therein propo And the Right Honourable the Lords Commissioners of Admiralty are to give the necessary directions herein cordingly.

# SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

*the 18th day of May*, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honorable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced numbers authorised by Your Majesty's above-named in Council; and we would beg to point out that for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement Commanders and Paymasters, whereas it is laid Your Majesty's Order in Council of 28th June, Staff Commanders having served 20 years in the Navigating Lieutenant and Staff Commander when retired, the rank of Retired Captain, and having served 15 years in those ranks shall rank of Retired Commander; and by Your Majesty in Council of 9th July, 1864, it is laid down that who may have completed 20 years' service, includ Paymaster's time, and not more than 4 years Assistant Paymaster, shall be retired with the master-in-Chief: And whereas by Your Majesty Council of 22nd February, 1870, it has been pro Commanders and Lieutenants placed on the that these Officers shall be granted the rank Captain and Retired Commander only at our di we are of opinion that it will be for the benefit Majesty's Service that similar conditions should applicable to the Promotion on Retirement of manders and Paymasters, so that these Officers longer be entitled to claim the respective ranks Captain, Retired Commander, and Paymaster-in-C removed from the Active List, but that each should, in addition to the above-mentioned requ service, be governed also by qualifications of good torious service: We therefore humbly submit that such Promotions on Retirement be made at our We beg further to represent that, so far as financial ments are affected, the Lords Commissioners Majesty's Treasury have signified their concurrence above-mentioned proposals."

Her Majesty, having taken the said Memorial consideration, was pleased, by and with the advice Privy Council, to approve of what is therein propo the Right Honorable the Lords Commissioners of rally are to give the necessary directions herein ingly.

## PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations;

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private income may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st October 1875, or subsequently placed thereon in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriages, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the commuting his Retired Pay, or if the Officer, who commuted, removed his name from the List or if although the marriage may have taken place before commutation.

8. The Pensions of Widows whose private income after their Pensions have been awarded, increase the limit fixed from time to time by the Admiralty rank last held by their husbands, shall be suspended long as their private incomes exceed such limits, be restored again in the event of their private income creasing within the limit.

12. In all cases of a Widow re-marrying, December, 1880, her Pension shall be suspended date of her re-marriage; but, in the event of becoming a Widow, her Pension may be restored proof being adduced to the Admiralty that the income does not exceed the limit fixed from time by the Admiralty for the rank last held by her and that she is otherwise deserving the Public Bounty, she will be again liable to suspension during marriage.

*Admiralty, 9th May*, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict., cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

CIRCULAR No. 71.—LMM.

*Admiralty, 7th November*, 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURES, OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of 5th January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission by, or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay the legal expenses attending the prosecution, or to negotiate a bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur.

"2. In case any proceedings shall have been instituted or on behalf of, any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imprest against such Commanding Officer until the Treasury (should they so decide) shall repay the same under the 19th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; but should it be found necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole responsibility of the Commanding Officer of the Ship, the case being afterwards reported to the Commander-in-Chief or Senior Officer."

## TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

*Admiralty, 4th June*, 1831.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading,

or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I am, &c. J. W. CROKER.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and 10 man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

sending them to the nearest District or Training Ship to be there finally entered.

3. Every Boy previous to being entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

| | Height (without shoes). | Measurement round the Chest. |
|---|---|---|
| Boys between 15 and 15½ .. | 4 ft. 10½ ins. .. | 29 ins. |
| ,, ,, 15½ ,, 16 .. | 4 ft. 11½ ins. .. | 29½ ins. |
| ,, ,, 16 ,, 16½ .. | 5 ft. 1 in. .. | 30 ins. |

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years' Continuous Service from the age of 18.

4. Boys are not to be received from Reformatories or Prisons.

The Medical Examination is, in all cases, to be conducted as laid down in Article 410 of the Addenda.

6. If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

7. The Examining Officers will also fill up the Form and Certificate attached to the Engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

8. Articles 1, 2, 3, and 4 of Chapter IX. of the Queen's Regulations and Articles 93 and 94 of the Addenda are hereby cancelled.

## ...ND CONDUCT MEDALS AND GRATUITIES.

...cluding those serving as Pensioners, and except- ...mentioned in paragraph (q) may be recommended ...ct and Long Service" Medal and Gra- ...the following regulations, laid down by Circu- ..., P, of 16th December, 1874, No. 20, P, of 26th ..., No. 11, P, of 1st July, 1876, and Circular Letter, ... August, 1875, viz.:—

...ecommendations for Medals and Gratuities are to be ...ertained irrespective of the complements of Her Ma- ...ships, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

(*b*). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; *but the award of such character shall not of itself give any claim to medal or gratuity.*

(*c*). This word is to be entered, annually, on the 31st of December, and on discharge from Ships, by the Commanding Officers of Her Majesty's Ships and Vessels, on the Parch-

ment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(*d*). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(*e*). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(*f*). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disrated for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(*g*). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned, by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

Break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(*h*). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(*i*). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(*k*). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(*l*). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or, Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (*g*), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after 10 years of continuous "exemplary" character after the year in which the medal was taken away.

(*m*). A man may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal, the is not to be worn until the Badge is regained.

If the Badge is not regained within twelve months the date of deprivation, the Medal is absolutely fo and the deprivation is to take place publicly directed.

If two or more badges are taken away, and not or or if a man loses a second badge; his Medal is al forfeited, and the deprivation is to take place pu above directed.

Notations on Parchment Certificates are to be m cases of suspension and restoration of Medal in co of the loss of a badge; and also in all cases of med feiture.

(*n*). Men who have for ten consecutive years held the character of "Exemplary" under these conditi be recommended for Medals at any period of that after the completion of such ten years.

(*o*). Men who have for fifteen consecutive years h the character of "Exemplary" under the foregoi ditions, may be recommended, *on their discharge* for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chi and First Class Petty Officers, for not le than ten years . . . . . £

First Class Petty Officers, having served such for not less than ten years . .

Second Class Petty Officers, having served such for not less than seven years . .

Leading Seamen, having served as such for less than five years . . . . . £

Able Seamen and others not excluded by pa graph (*q*) . . . . . £

(*p*). In cases where the man recommended has served the full period to entitle him to the Gratu cable to his rating, he shall receive such one of rates, with reference to his combined service in cities, as may, in the opinion of the Admiralty, b award to him.

(*q*). Neither Medals nor Gratuities will be bestowed on Ordinary Seamen, Third Class Writ Class Signalmen, Second and Third Class Dem Stewards' Assistants, Assistant Sick Berth Attend boys of every description.

(*r*). Lists of Men recommended for Medals and are to be transmitted to the Admiralty, in the scribed for the purpose, by the Commanders-in Senior Officers at Home and Abroad, and the Officers of Coast Guard, as soon as the men become for them, and when their Lordships' approval has ceived, the Medals and Gratuities are to be presen the Ship's Company, by the Captain of the Ship.

A complete history of Badges, showing the award, deprivation, and restoration, must be given copies of Certificates sent in to office.

(*s*). It must be distinctly understood that Medals only be granted after ten years of "Exemplary" on the condition that the recipients continue to Long Service Pension, unless invalided; and that event of a man who has been granted a Medal and go on serving to complete such time, he shall not Medal on his discharge, unless he has completed years of man's service, in which case he may receive

(*t*). If it is desired that men who have never should also be given Gratuities, separate applicat be made for the latter on the men being recommend Pension.

(*u*). In the case of a man who has joined the Army, the general character given to him on his dis will be taken as his character throughout the whole Army Service, subject, however, to the rules as to consecutive years of "Very Good" or "Exemplary" racter after punishment.

(*v*). These Regulations are to come into operation 1st day of July, 1876, and are to apply to all men the ratings herein mentioned borne on the books of Majesty's Ships and Vessels; and in the Coast Guard afloat and on Shore; and to Royal Marines at Divisions or when Embarked.

*Temporary Provision.*

18. In the cases of men now in the Service who before the 1st of July, 1876, with "Very Good" cha will be allowed to reckon as "Exemplary" for Gratuity, provided their conduct has been such as them deserving of being considered "Exemplary" the foregoing regulations.

**REWARDS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.**

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

The Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

## The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through his Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been to accept the Foreign Order, and wear the Insignia, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that cause the Warrant required by Clause 1 to be prepared the Royal Sign-Manual.

10. The preceding Clause shall not be taken to Decorations of the Guelphic Order which were held by British Subjects by Her Majesty's predecessors King IV. and King William IV., on whose heads the Crown of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by Hanoverian Princes, and as having no reference to services rendered to the Foreign Crown of Hanover.

*Foreign Office, May 10th, 1855.*

1. Applications for permission to accept and wear Medals which may bestow the decoration of any Foreign Order, are ordained to a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services will be addressed, as the case may be, to the Commander-in-Chief or the Lords of the Admiralty, who, if they see fit, will forward the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

*Foreign Office, Jan.* 1870. CLARENDON.

# THE VICTORIA CROSS.

*VICTORIA R.*

Now, We, taking into Our Royal consideration that there are no means of adequately rewarding the indi-gallant services either of Officers of the lower ranks in Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, Non-Commissioned Officers and Soldiers in Our Army, and whereas the Third Class of Our Most Honour-able Order of the Bath is limited, except in very rare cases to the higher ranks of both Services, and the list of medals, both in our Navy and Army, is only given for long service or meritorious conduct, rather than bravery in action or distinction before an enemy, except in those cases where a general medal is given for a particular action or campaign, or a clasp to the medal for some especial engagement, in both which cases all share equally in the boon, and those whose valour have particularly signalised them-selves undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have ordained and created, and by these presents, for Us. Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous may be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First. It is ordained, that the distinction should be known and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing the inscription, "For Valour."

Secondly. It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, or who if he had not received such Cross, would have been entitled to it, such further act shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatso-ever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

*(To take effect from the 1st October, 1870.)*

*1. Colonies which offer Privileges.*

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Honduras.

*2. Officers entitled to Privileges.*

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all ranks not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

*4. Nature and Extent of Privileges.*

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:—

| | Acres. |
